1.0 GENERAL INFORMATION

The TWR Lighting®, Inc. (TWR) AA0/WF Controller is for towers up to 150’ above ground level (AGL). A double obstruction light should be placed at the top of the tower.

The obstruction lights will flash 30 times per minute. The double obstruction light requires two (2) 116 watt 120V bulbs (116A21TS) when using the unit on 120V or (2) 116 watt 230V bulbs (116A21TS230V) when using the unit on 240V.

The photocell is the three (3) blade type. The photocell socket is mounted on the cast enclosure. Install the 6390-FAA photocell and twist to lock.

Power supplied to the controller is 120 – 240V AC.

The controller housing will meet NEMA 4X.
2.0 INSTALLATION INSTRUCTIONS

2.1 MOUNTING THE CONTROL HOUSING
(Refer to Drawings 259-0, 259-02, or 1110-0)

The power supply control housing should be located at the base of the structure. Mount the housing on the lower portion of the tower wiring conduit. Power wiring to the control cabinet should be in accordance with local methods and National Electrical Codes (NEC).

After mounting the control housing, insert the photocell and position it to the north. This can be accomplished by loosening the ½” conduit lock washer and rotating the photocell to the proper position. Once positioned, then retighten the ½” lock washer.

2.2 POWER WIRING

2.2.1 Power wiring to the control housing should be in accordance with local methods and NEC.

2.2.2 The circuit breaker needs to be rated at 15 amps.

2.2.3 Connect the incoming 120 - 240VAC line to the terminal marked “L.”

2.2.4 Connect the NEUTRAL wire to the terminal marked “N.”

2.3 OBSTRUCTION LIGHT WIRING
(Refer to Drawing 1116-R)

2.3.1 Connect the BLACK wire from the obstruction lights to the terminal marked “F.”

2.3.2 Connect the NEUTRAL wire to the terminal marked “N.”
3.0  MAINTENANCE GUIDE

3.1  RED OBSTRUCTION LIGHTING

The only required maintenance needed to be performed is replacement of the lamps in the L-864 and L-810 fixtures. Lamps should be replaced after being operated for not more than 75% of the rated life, or immediately upon failure as per FAA Advisory Circular 70/7460-1L. By following these instructions, maximum safety and performance can be achieved.

TOOLS REQUIRED:  NONE

3.1.1  L-864 LAMP REPLACEMENT

3.1.1.1 Loosen the one (1) wing nut on the latch pin so that it can recline.
3.1.1.2 Open the lens and allow it to tilt backward.
3.1.1.3 To remove each lamp, press down while rotating the lamp counter-clockwise 90°.
3.1.1.4 Install the new lamps by pressing down while rotating the lamp clockwise 90°.
3.1.1.5 Close the lens and let the latch pin drop in the recessed slot.
3.1.1.6 Tighten the wing nut snug, then ¼ turn more.

3.1.2  L-810 LAMP REPLACEMENT

3.1.2.1 Unclasp the two (2) latches and allow the bail to recline backward.
3.1.2.2 Lift the lens up and cover the lamp, allowing the lens to hang from the safety cable.
3.1.2.3 Unscrew the lamp counter-clockwise and remove.
3.1.2.4 Install the new lamp by screwing the lamp clockwise.
3.1.2.5 Reinstall the lens making sure it is seated properly on the base.
3.1.2.6 Reclasp the two (2) latches.
3.2 **CONTROLLER**

No scheduled maintenance is required. Perform on as needed basis only.

3.3 **PHOTOCELL**

The photocell is a sealed unit. No maintenance is needed or required other than replacement as needed.

Warranty & Return Policy

TWR Lighting®, Inc. ("TWR®") warrants its products (other than “LED Product”) against defects in design, material (excluding incandescent bulbs) and workmanship for a period ending on the earlier of two (2) years from the date of shipment or one (1) year from the date of installation.

TWR Lighting®, Inc. (“TWR®”) warrants its “LED Product” against defects in design, material and workmanship for a period of five (5) years from the date of shipment. TWR®, at its sole option, will, itself, or through others, repair, replace or refund the purchase price paid for “LED Product” that TWR® verifies as being inoperable due to original design, material, or workmanship. All warranty replacement “LED Product” is warranted only for the remainder of the original warranty of the “LED Product” replaced. Replacement “LED Product” will be equivalent in function, but not necessarily identical, to the replaced “LED Product.”

TWR Lighting®, Inc. (“TWR®”) warrants its “LED Product” against light degradation for a period of five (5) years from the date of installation. TWR®, at its sole option, will, itself, or through others, repair, replace, or refund the purchase price paid for “LED Product” that TWR® verifies as failing to meet 75% of the minimum intensity requirements as defined in the FAA Advisory Circular 150/5345-43G dated 09/26/12. All warranty replacement “LED Product” is warranted only for the remainder of the original warranty of the “LED Product” replaced. Replacement “LED Product” will be equivalent in function, but not necessarily identical, to the replaced “LED Product.”

Replacement parts (other than “LED Product”) are warranted for 90 days from the date of shipment.

Conditions not covered by this Warranty, or which might void this Warranty are as follows:

- Improper Installation or Operation
- Misuse
- Abuse
- Unauthorized or Improper Repair or Alteration
- Accident or Negligence in Use, Storage, Transportation, or Handling
- Any Acts of God or Nature
- Non-OEM Parts

The use of Non-OEM parts or modifications to original equipment design will void the manufacturer warranty and could invalidate the assurance of complying with FAA requirements as published in Advisory Circular 150/5345-43.
Warranty & Return Policy

(continued)

Field Service – Labor, Travel, and Tower Climb are not covered under warranty. Customer shall be obligated to pay for all incurred charges. An extensive network of certified and insured Service Representatives is available if requested.

Return Terms – You must first contact our Customer Service Department at 713-973-6905 to acquire a Return Merchandise Authorization (RMA) number in order to return the product(s). Please have the following information available when requesting an RMA number:

- The contact name and phone number of the tower owner
- The contact name and phone number of the contractor
- The site name and number
- The part number(s)
- The serial number(s) (if any)
- A description of the problem
- The billing information
- The Ship To address

This RMA number must be clearly visible on the outside of the box. If the RMA number is not clearly labeled on the outside of the box, your shipment will be refused. Please ensure the material you are returning is packaged carefully. The warranty is null and void if the product(s) are damaged in the return shipment.

All RMAs must be received by TWR LIGHTING®, INC., 10810 W. LITTLE YORK RD. #130, HOUSTON, TX 77041-4051, within 30 days of issuance.

Upon full compliance with the Return Terms, TWR® will replace, repair and return, or credit product(s) returned by the customer. It is TWR®’s sole discretion to determine the disposition of the returned item(s).
Warranty & Return Policy
(continued)

**Replacements** – Replacement part(s) will be shipped and billed to the customer for product(s) considered as Warranty, pending return of defective product(s). When available, a certified reconditioned part is shipped as warranty replacement with a Return Merchandise Authorization (RMA) number attached. Upon receipt of returned product(s), inspection, testing, and evaluation will be performed to determine the cause of defect. The customer is then notified of the determination of the testing.

- Product(s) that is deemed defective and/or unrepairable and covered under warranty - a credit will be issued to the customer’s account.
- Product(s) found to have no defect will be subject to a $75.00 per hour testing charge (1 hour minimum), which will be invoiced to the customer. At this time the customer may decide to have the tested part(s) returned and is responsible for the return charges.
- Product(s) under warranty, which the customer does not wish returned, the customer will be issued a credit against the replacement invoice.

**Repair & Return** – A Return Merchandise Authorization (RMA) will be issued for all part(s) returned to TWR® for repair. Upon receipt of returned product(s), inspection, testing, and evaluation will be performed to determine the cause of defect. The customer is then notified of the determination of the testing. If the returned part(s) is deemed unrepairable, or the returned part(s) is found to have no defect, the customer will be subject to a $75.00 per hour testing charge (1 hour minimum), which will be invoiced to the customer. Should the returned parts be determined to be repairable, a written estimated cost of repair will be sent to the customer for their written approval prior to any work being performed. In order to have the tested part(s) repaired and/or returned, the customer must issue a purchase order and is responsible for the return shipping charges.

**Return to Stock** – Any order that is returned to TWR® for part(s) ordered incorrectly by the customer, or unneeded upon receipt, the customer is required to pay a 20% restocking fee. A credit will be issued once it is determined that the Return Terms are met.

**Credits** – Credits are issued once it is determined that all of the Warranty and Return Terms are met. All credits are processed on Fridays. In the event a Friday falls on a Holiday, the credit will be issued on the following Friday.

**Freight** – All warranty replacement part(s) will be shipped via ground delivery and paid for by TWR®. Delivery other than ground is the responsibility of the customer.
Warranty & Return Policy

(continued)

REMEDIES UNDER THIS WARRANTY ARE LIMITED TO PROVISIONS OF REPLACEMENT PARTS AND REPAIRS AS SPECIFICALLY PROVIDED. IN NO EVENT SHALL TWR® BE LIABLE FOR ANY OTHER LOSSES, DAMAGES, COSTS, OR EXPENSES INCURRED BY THE CUSTOMER, INCLUDING, BUT NOT LIMITED TO, LOSS FROM FAILURE OF THE PRODUCT(S) TO OPERATE FOR ANY TIME, AND ALL OTHER DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING ALL PERSONAL INJURY OR PROPERTY DAMAGE DUE TO ALLEGED NEGLIGENCE, OR ANY OTHER LEGAL THEORY WHATSOEVER. THIS WARRANTY IS MADE BY TWR® EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED. WITHOUT LIMITING THE GENERALITY OF THE FORGOING, TWR® MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE PRODUCT(S) FOR ANY PARTICULAR PURPOSE. TWR® EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES.
