IMPORTANT INFORMATION ABOUT THESE TERMS AND CONDITIONS

These Terms and Conditions constitute a binding contract between Customer and Seller, and are referred to herein as either "Terms and Conditions" or this "Agreement." Customer accepts these Terms and Conditions by making a purchase from, or placing an order with Seller, or otherwise requesting Products (the "Products"), or engaging Seller to perform or procure any Services (as this and all capitalized terms are defined herein). These Terms and Conditions are subject to change without prior notice.

Customer shall issue a purchase order for all Products, services, and administrative purposes. Additional or different terms and conditions contained in any such purchase order will be null and void. No course of prior dealings between the parties, and no usage of trade will be relevant to determine the meaning of these Terms and Conditions, or any purchase order or invoice, or any document in electronic or written form that is signed and delivered by each of the parties for the performance of Services, other than Third Party Services (each, a "Statement of Work"). This Agreement contains the entire understanding of the parties with respect to the matters contained herein and supersedes and replaces in its entirety any and all prior communications and contemporaneous agreements and understandings, whether oral, written, electronic, or implied, if any, between the parties with respect to the subject matter hereof.

SERVICES

Customers may order services (collectively "Services") from or through Seller from time to time.

Where Services are ordered in a Statement of Work, each Statement of Work hereby incorporates these Terms and Conditions, and constitutes a separate agreement with respect to the Services performed. Seller, or any of its Affiliates on behalf of Seller, may execute a Statement of Work. In the event of an addition to, or a conflict between, any term or condition of the Statement of Work and these Terms and Conditions, the terms and conditions of this Agreement will control, except as expressly amended in the applicable Statement of Work by specific reference to this Agreement. Each such amendment will be applicable only with respect to such Statement of Work and not to future Statements of Work. Changes to the scope of the Services described in a Statement of Work will be made only in a writing executed by authorized representatives of both parties. Seller will have no obligation to commence work in connection with any such change, unless and until the change is agreed upon in that writing executed by both parties. All such changes to the scope of the Services will be governed by these Terms and Conditions, and the applicable Statement of Work. Each Statement of Work may be signed in separate counterparts, each of which shall be deemed an original, and all of which together will be deemed to be one original.

TERMS OF PAYMENT

Seller shall invoice Customer upon shipment of each order. Such invoices shall be due and payable within 30 days following acceptance of the Products, or receipt of the invoice, whichever is later.

Orders are not binding upon Seller until accepted by Seller. Customer agrees to pay the total purchase price for the Products plus shipping (to the extent shipping is not prepaid by Customer), including shipping charges that are billed to Seller as a result of using Customer's carrier account number. Terms of payment are within Seller's sole discretion. In connection with Services being performed pursuant to a Statement of Work, Customer will pay for the Services in the amounts and in accordance with any payment schedule set forth in the applicable Statement of Work. If no payment schedule is provided, Customer will pay for the Services as invoiced by Seller. Invoices are due and payable within the time period specified on the invoice, measured from the date of invoice, subject to continuing credit approval by Seller. Seller, or any of its Affiliates on behalf of Seller, may issue an invoice to Customer. Seller may invoice Customer

separately for partial shipments, and Seller may invoice Customer for all of the Services described in a Statement of Work, or any portion thereof. Customer will pay for, and will indemnify and hold Seller and its Affiliates harmless from, any applicable sales, use, transaction, excise, or similar taxes, and any federal, state, or local fees or charges (including, but not limited to, environmental or similar fees), imposed on, in respect of, or otherwise associated with any Statement of Work, the Products, or the Services. Customer must claim any exemption from such taxes, fees or charges at the time of purchase, and provide Seller with the necessary supporting documentation. In the event of a payment default, Customer will be responsible for all of Seller's costs of collection, including, but not limited to, court costs, filing fees, and attorneys' fees. In addition, if payments are not received as described above, Seller reserves the right to suspend Services until payment is received.

Except as otherwise specified on an applicable Statement of Work, Customer will reimburse Seller for all reasonable out-of-pocket expenses incurred by Seller in connection with the performance of the Services, including, but not limited to, travel and living expenses.
